FEATURED PROJECTS

Bang&Olufsen Speaker Design, Spring 2024

The Bang&Olufsen Speaker Design has a smooth round edge which creates visual harmony. The wooden feet really fit with the vintage style of most B&O products.

Leica X1 Design, Spring 2025

The Leica X1 Smart Camera Phone blends Leica's legendary imaging with modern smartphone technology. Featuring a premium Leica lens, advanced AI processing, and a sleek, ergonomic design, it delivers professional-grade photography in a minimalist form.
